Subjects at St Augustine's Priory

Group and individual lessons are offered in…

Solo Introductory — Introducing learners to basic communication skills. Learners will speak one poem from memory, audibly and clearly with some appreciation of meaning and maintain a short conversation with the examiner about a favourite toy or object, picture and book.

Acting — Developing a strong speaking voice and good memory skills by learning and performing monologues and duologues. Designed for solo or duologue performances.

Speaking in Public — Developing the skills necessary for effective oral communication and public presentation. These lessons will benefit native English speakers as well as those for whom English is a second language.

Speaking Verse & Prose — Learners interpret a rich variety of poems and novels, developing a strong speaking voice and memory skills. Designed for individual candidates.

Musical Theatre — LAMDA examinations in Musical Theatre help students to develop their acting and singing skills. Like our Acting exams, they encourage empathy and self awareness, as learners are required to present believable characters through both acting and song.

Individual lessons are also offered in…

Devising Drama — Developing creativity by exploring ideas and themes and realising them through devised dramatic performances. Designed for solo or duologue performances.

Miming — Gaining an understanding of non-verbal communication by exploring body language and facial expression, and putting them into a dramatic performance. Designed for solo or performances.

Reading For Performance — Learners construct and present a recital based on a theme of their choice, using an introduction, verse readings, prose readings, dramatic readings, reflective linking statements and a conclusion. Texts are not memorised
