St Augustine's Priory, Ealing, A Level Results

With 100% pass rate at A Level, St Augustine's Priory, Hillcrest Road, Ealing W5, is today celebrating the results of its A Level students. With a variety of university destinations including UCL and Warwick our students are heading off to study subjects such as Economics, Politics and History & Sociology.

In a climate where increased rigour has been introduced into the public examination system, our girls have done extremely well, thanks to their hard work and to the work of their teachers.

There have been individual successes at every level of the public examinations this year.

At AS Level there are outstanding AS results with a high number of A grades in subjects including Drama, Economics, History and Government & Politics. Several students have achieved 100% in their units in subjects such as Mathematics, English Literature and Creative Writing.

In addition, in the Cambridge iGCSE results announced on 11th August our English Literature candidates achieved 89% grades A* to B and for English Language achieved 100% grades A* to C.

Congratulations to all our students, you deserve every success!
