School Uniform Provider

Schoolblazer Ltd was established in 2004 and is now the leading online provider of uniform and sportswear to a cross-section of the independent sector. They supply over 100 other Independent Schools in the UK and are very experienced and knowledgeable in supplying uniform stock.

The benefits of using the Schoolblazer service are clear and simple:

- Schoolblazer are an online retailer – allowing parents to order anytime and from anywhere at their convenience.
- Schoolblazer provide St Augustine’s with a bespoke website which is constructed in sub-sections for each area of the School. This ensures that you order the appropriate uniform items for your child. For instance, if you are buying for a pupil in the Junior School you will be directed to the appropriate items you need for them.
- The website has an “intelligent sizing system” to guide you in size selection to help ensure that uniform fits first time. On registration you will be required to input your son or daughter’s sizes and the system will make a suggestion on size.
- All items are fully name-tagged before dispatching. The permanent printed tags are sewn on at no extra cost, although the company does charge a nominal cost for the tags.
- All items are delivered using Parcelforce, and any returned items can be sent to Schoolblazer free of charge via the Post Office.
- Schoolblazer provide a normal delivery time of 3 working days for name-tagged items, with a firm promise of all deliveries within 5 working days.
- Urgent items can be shipped in 24 hours using a FastTrack service, but these items will not be name-tagged – this will be the responsibility of the parent.

The Schoolblazer website covers all of the above points in more detail.

Any new-style second-hand uniform stock will be sold through the Second-hand Uniform Shop as and when they become available.

At start of the Michaelmas Term – Academic Year 2016-2017

All pupils, all year groups – full new uniform.
