Learners will speak one poem from memory, audibly and clearly with some appreciation of meaning and maintain a short conversation with the examiner about a favourite toy or object, picture and book.</p>
<p>Around the World Club In Around the World Club we will be looking at a continent each term. We will then explore a country within that continent every week and engage in activities related to it.</p>		<p>Mindful Chess Mindful Chess is an educational organisation providing a unique approach to teaching chess in schools within Greater London. Following working with one of Hong Kong’s most prestigious chess schools Scholastic Chess, we are now offering the same opportunities to children in the UK.</p>

		<p>schools. Clubs take place before school, at lunch time and after school. At Senior Level we ask the girls to be committed to training, to ensure that the squad is able to progress. We operate a no train no game policy.</p>
<p>Biology Stretch and Challenge This club will be for students of Biology A Level who want to explore concepts beyond the curriculum and in a more practical sense. The club will make links between the course content and real examples of where this understanding can be used to make progress in areas such as medicine, forensic science, and conservation. The club would be particularly beneficial for students who wanted to take a biological science to degree level.</p>	<p>Nature Club Come and explore the great outdoors! Our new Preps Nature Club will give the children the opportunity to take part in exciting activities outside on our school grounds as well as craft based activities in the classroom. Children will be taken to the club from their classroom and should be collected from the Prep Playground.</p>	<p>We have made a big push to improve our fixture programme for all age groups, therefore girls may not undertake training every week. It is your daughter's job to check the overview on the VLE and website to check when training and fixtures are.</p>
	<p>Needle and Craft Sitting and sewing together is a great way to teach our children to slow down and learn a lifelong skill, patience, creativity and project planning. It helps build confidence and independent working. I encourage the children to communicate in a calm, respectful way and use the time to relax and unwind after a busy school day. Not to mention having useful fun items at the end! All materials supplied.</p>	<p>Creative Writing Club Develop skills in storytelling such as narrative, script writing and poetry. Collection and drop off in Prep Playground.</p>

<p>Breakfast Club Parents drop off pupils at the refectories via the playground from 8am. Teaching assistants accompany children to their classrooms at 8.30am. Breakfast is served and fun activities organised.</p>	<p>Priory Players St Augustine's Drama Department is launching an exciting new venture for sixth formers to run St Augustine's Theatre Company, The Priory Players, a small theatre troop that will produce plays for public performance, both at school and in the local community. This scheme offers sixth formers a uniquely collaborative experience and the chance to create a play from concept to stage. The Head of Drama will oversee the company.</p>	
<p>Reading For Performance (LAMDA) Learners construct and present a recital based on a theme of their choice, using an introduction, verse readings, prose readings, dramatic readings, reflective linking statements and a conclusion. Texts are not memorised for this qualification. Designed for individual candidates.</p>	<p>Speak Your Mind Public speaking encourages students to develop confidence and poise when before an audience. Among the skills developed is learning to construct and deliver logical and convincing speeches that command a listener's attention. Subjects spoken about will range from the serious to silly. It is hoped that we will once again enter teams into the Rotary Club's 'Youth Speaks' competition in February.</p>	<p>Yourstage Drama Weekly classes in Drama and Dance for 3-16 year old boys and girls working towards a performance at the end of each term. Founded in 2008 by Ms Hagerty (Head of Co-curricular Activities and Director of Sixth Form), Yourstage also run holiday courses at school during the Easter and Summer holidays. Next term's Saturdays theme is <i>Time Travel</i>. www.yourstagedrama.com</p>
