

Release of GCE results, Summer Examinations 2019

Dear candidate,

Release of GCE results, Summer Examinations 2019

Your results will be available in school on the morning of Thursday 15th August (A level results day). Universities for which you are holding offers will contact you about your place directly, but please still come into school to collect your results between 8am and 10am. Mrs Raffray, Mrs Macallister, Mr Murphy, Ms Hagerty and Mr Ferguson will all be in school and on hand to support you in the next steps should you need any advice on offers, the clearing process, or Adjustment (when your results are higher than offers received). Subject teachers will also be available to discuss your results.

If you are unable to come to school on 15th August, results will be emailed to you, but will not be released before 09:00 am. Please note the results are released to you as the candidate. If you wish to have someone collect results on the day, then I need your written consent, and the person collecting must provide photo ID. You are also responsible for telling your parents/guardians your results, both your original grade and any change in grade due to re-marks.

Dear parent/guardian

Re. release of results, summer examinations 2019

Thursday 15th August is A level results day and your daughter's results will be available in school for her to collect from 08:00am. Mrs Raffray (Headteacher), Mrs Macallister (Deputy Head, Academic), Mr Murphy (Director of UCAS), and Ms Hagerty (Director of Priory 6) will all be in school and on hand to support your daughter in the next steps should she need any advice on offers, the clearing process, or Adjustment (when results are higher than offers received). Subject teachers will also be available to discuss results. Please note that your daughter will know whether or not she has been accepted in her first choice University from information available on line.

If your daughter is unable to come to school on 15th August, results will be emailed, but will not be sent before 09:00 am. The results will be released to your daughter, so if she wishes to have someone collect results on her behalf, then we need her written consent, and the person collecting must provide photo ID.

Please note the results are released to the candidates, as is JCQ policy. Consequently, the candidates are responsible for telling parents/carers their results, both from the 'original' marking and any re-mark results obtained. We cannot pass results directly to a third party without consent.
