

Dear candidate,

**Re. release of results, summer examinations 2019
CIE History, Additional Maths and other GCSEs**

The first set of results to be released is CIE International GCSE History. They are available online on Tuesday 13th August. You have been given login details to allow you to obtain your result for yourself, if applicable. If you have any problems, such as lost login information, please email me or Miss Naylor (Lnaylor@sapriory.com) and we will reply to you as soon as we can. *Any queries about grades will need to be discussed with Ms Trybuchowska. You can email her, but if you want to speak to her urgently please come to school on Tuesday 13th August after 09:30 am.* For Upper V girls taking the OCR Additional Mathematics paper, your results will be available in school on the morning of Thursday 15th August, from 10:00 am, A level results day.

The majority of results for you will be the GCSEs and International GCSEs. These are released on Thursday 22nd August and you should come into school from 9.00am. Mrs Raffray, Mrs Macallister and Ms Hagerty will all be in school and on hand to support you in finalising option choices. Subject teachers will also be available to discuss your results. If you are unable to come to school on either 15th or 22nd, results will be emailed to you. I will not email CIE results when they are released as they are available online.

Please note the results are released to you as the candidate. If you wish to have someone collect them on the day, then I need your written consent, and the person collecting must provide photo ID.

You are also responsible for telling your parents/guardians or new school/college your results, both the original grade and any re-mark result you obtain.

Regards,

Mr P Thomas BSc, MEd, MCIEA
Head of Chemistry and Examinations Officer
St. Augustine's Priory

Dear parent/carer,

Re. release of results, summer examinations 2019

The first batch of results to be released is CIE International GCSE History. Your daughter, if a History candidate, can access them online on Tuesday 13th August. She has been given login details to allow her to obtain the result for herself. Any problems, such as lost login information, should be referred to me or Miss Naylor (Lnaylor@sapriory.com) and we will reply as soon as we can. Any queries about marks and grades will need to be discussed with the subject teacher. I have advised the girls to come to school on Tuesday 13th August after 09:30 am (with prior notice) to speak to Ms Trybuchowska about results, or on Thursday 22nd August, GCSE results day.

For Upper V girls taking the OCR Additional Mathematics paper, their results will be available in school on the morning of Thursday 15th August, from 10:00 am.

The majority of results for your daughter will be the GCSEs and International GCSEs. These are released to the candidates on Thursday 22nd August and the students should come into school from 9.00am. Mrs Raffray (Head), Mrs Macallister (Deputy Head, Academic) and Ms Hagerty (Director of Priory 6) will be in school and on hand to support the girls in finalising option choices. Subject teachers will also be available to discuss the students' results.

If your daughter is unable to come to school on either results day, results will be emailed to her. I will not email CIE results separately as they are available online.

Please note the results are released to the candidates, as per JCQ policy. Consequently, the candidates are responsible for telling parents/guardians their results, both the original grade and any re-mark results obtained.

If your daughter wishes to have someone collect results on the day they are released, then we need her written consent, and the person collecting must provide photo ID.

Regards,

Mr P Thomas BSc, MEd, MCIEA
