**Summer Project**

NAME: \_\_\_\_\_

### A short holiday diary/scrapbook!

This summer you will EITHER go on a holiday, OR not depending on restrictions as a result of the Covid-19 pandemic.

If you get to go on a holiday, write your short holiday diary/scrapbook from your experience.

If you don't get to go on holiday, write your short holiday diary/scrapbook based on research about what you would have done, had you gone on that holiday.

Write a short holiday diary/scrapbook which includes...

- Maps showing the **location** of the holiday destination and the route taken to get there
- Annotated photographs showing the main features of **Physical Geography** found at your destination
- Annotated photographs showing the main features of **Human Geography** found at your destination

EITHER a personal **evaluation** of how much you enjoyed the holiday, OR your **expectations** should you have had the chance to go on that holiday
