

17b – Three-Year Accessibility Plan

For compliance with Schedule 10 of the Equality Act 2010 2020 – 2023

1. Mission Statement

We are an all-through, inclusive Catholic girls' school with boys in the Nursery. As a girls' school we are committed to preparing girls for life long effectiveness and success. As part of their journey, girls will learn of intellectual risk-taking and emotional strength, reflection and self-knowledge, persuasiveness and team building as well as a cultural curiosity for an enriched enjoyment of life.

In our stunning 13 acres of grounds, girls have a physical freedom unique in central London. We aim to instil in them the emotional freedom to grow intellectually and spiritually and to understand the truth about themselves, others and our complex world. We will give them the courage to be ambitious and compassionate and we will provide a secure, happy and nurturing community in which to explore all of the above.

To this end we seek, develop and retain the best teachers who value well-being and the individual progress of each girl as much as they are relentless in their pursuit of academic excellence. Their goal is life-long success for each girl and they set the pace of energy and dynamism within which the girls flourish.

The school seeks to support its mission statement working within a national framework for educational inclusion. This applies to all areas of the school including EYFS. This is provided by:

- Schedule 10 of the Equality Act 2010
- Department of Education (DfE) guidance for school on the Equality Act 2010
- The SEND Code of Practice (CoP) 0-25 years 2015
- ISI regulations and DfE guidance 2020

2. Equality Statement

At St Augustine's Priory we are committed to ensuring the equality of education and opportunity for all pupils, staff, parents and carers receiving services from the school, irrespective of race, gender, disability, religion or socio-economic background. We aim to develop a culture of inclusion and diversity in which all those connected with the school feel proud of their identity and able to participate fully in school life.

At St Augustine's Priory we are committed to ensuring quality of education

The planning group consists of:

- Mrs Sarah Raffray – Headteacher
- Mr Jonathan Powell – Bursar
- Miss Fiona Johnson – SENCO
- Mr Ben Cassidy, Governor, has oversight of this group and its work

3. Introduction

Under the Special educational needs and disability code of practice : 0 to 25 years (2015), a child or young person has SEND if they have a learning difficulty or disability which calls for special educational provision to be made for him or her.

St Augustine's Priory has three key duties in providing for pupils with a disability.

- not to treat disabled pupils less favourably for a reason related to their disability;
- to make reasonable adjustments for disabled pupils, so they are not at a substantial disadvantage;
- to draw up plans to show how, over time, we will increase access to education for disabled pupils.

This policy sets out the proposals of our school to increase access to education for disabled pupils in the three areas required by the planning duties of the Equalities Act 2010:

- increasing the extent to which pupils can participate in the school curriculum;
- improving the environment of the school so disabled pupils can take greater advantage of education and associated services;
- improving the delivery of the curriculum to disabled pupils.

4. What defines 'reasonable adjustments'?

In determining what is reasonable the school will have regard to:

- The financial resources available to the school
- The costs of any particular alteration to the premises, staffing arrangements, or special equipment required
- The practicality of making reasonable adjustments
- The extent to which aids and services will be provided via an Education and Health Care Plan (EHCP), or by provision paid for outside the school's resources

- Health and Safety requirements
- The interests of other pupils

5. Statement of intent

St Augustine's Priory is committed to resourcing, implementing, reviewing and revising the Accessibility Plan every three years. Regular disability access audits are undertaken as part of this process. Any future building developments or renovation projects will be compliant with the regulations and guidance for accessibility.

Our purpose is

- to be sensitive to the needs of every child
- to reduce barriers to learning in every area of school life
- to ensure the curriculum is accessible to every student
- to keep equality of opportunity enshrined in our practice

6. What constitutes a disability?

The Equality Act (2010) defines disability as when a person has a physical or mental impairment which has a substantial and long-term adverse effect on that person's ability to carry out normal day to day activities.

This definition includes sensory impairments such as those affecting sight or hearing, and long-term health conditions such as asthma, diabetes, epilepsy, and cancer (SEND CoP 2015).

7. Identifying the needs of pupils

All children with additional needs (as defined by the current Equalities Act 2010) are recorded on the SEND register as detailed in the Policy for Pupils with SEND and EAL.

As part of the admissions process, staff will meet with parents to discuss whether or not a prospective pupil will be able to access the curriculum and what reasonable adjustments can be made to facilitate this. In determining this, the school may advise additional assessments for further clarification. If after consultation the school decides that it would not be able to discharge its legal and moral responsibilities to educate the prospective pupil and/or contractual duties to the parent(s), St Augustine's Priory will be unable to offer a place.

8. School Development Planning priorities relevant to the Equalities Act 2010

Increasing the extent to which disabled pupils participate in the school curriculum:

- short, medium and long term planning (more than 12 months) to meet the needs of every child
- continued collaboration with external agencies
- raised whole school awareness
- support and commitment of all staff
- peer support
- high expectations
- shared good practice
- full access to curriculum and extra-curricular activities
- progressive use of ICT

Improving the physical environment of the school where possible to increase the extent to which disabled pupils can take advantage of education and associated services.

Possible considerations may include

- installing ramps, handrails, lifts and improvements to doorways insuring suitable and sufficient access and egress
- improving lighting, signage, colour contrast, acoustics and floor coverings
- improving toilet, washing and changing facilities
- providing accessible transport when required

Improving the delivery of the curriculum to disabled pupils.

Timetables, key word lists, support materials, writing frames, lesson notes, differentiated tasks or outcomes, special exam arrangements for instrumental, internal and external exams, LSAs, specialist support tuition.

At all times, St Augustine's Priory will take full account of:

- specific impairments
- pupil and parental views
- advice from teachers
- advice from other designated professionals

The school will maintain a three year Accessibility Plan to ensure that current and future planning requirements are addressed. The Plan will be reviewed on an annual basis.

9. Access to this plan

This plan is available on the school's website www.sapriory.com.

10. Responsibility

In order that St Augustine's Priory is fully compliant with current legislation, all staff are made aware of the duties towards disabled children and the 'reasonable adjustments' needed for particular children.

11. Supporting policies

2a – Curriculum

3b - Pupils with SEND and EAL

10a - Anti-bullying

16a - Risk Assessment

Crutches procedure for pupils

Crutches procedure for staff

Personal Emergency Evacuation Form

School Development Plan

12. Previous adaptations made to the school:

- New lift installed to give step-free access to the Hall
- Handrails installed on stairs to Fox Hollow and Hall
- Included access to cloakroom /toilet for the disabled in main school
- Disabled toilets installed in main building, science block and clockhouse
- Voice activated software and writing slopes provided for girls with visual impairments
- Staff within the school who are First Aiders are trained so that children with medical needs are able to gain access to education as far as reasonably practicable , e.g. diabetes, epilepsy, gastrostomy support requirements – enabling a particular girl to go swimming for example
- Personal care plans for pupils with medical needs
- TAs are also given specific information and training
- Mental Health Counsellor
- Provision of disabled parking bays in front of the school
- Providing disabled access to temporary classrooms

Member of Staff Responsible:	Bursar
Three Year Period	October 2020 – October 2023
Next Review Date:	October 2021

ST AUGUSTINE'S PRIORY 3 YEAR PLAN 2020 - 2023

Making the curriculum accessible					
Targets	Action	Resources	Staff	Timescale	Success Criteria
To be an inclusive school, offering a broad and balanced curriculum to all pupils irrespective of attainment or impairment	Continue to acquire specialist equipment as it is required	Cost of resources – see SENCO budget	SENCO/Bursar	Ongoing because resources depend on emerging needs	School following advice of external agencies and no girl disadvantaged.
	Information for staff on disabilities	To continue make available on Staffshare information on specific needs and to train staff accordingly	SENCO/Admissions	Termly	Children with specific needs continue to be fully included in all aspects of school life
School Visits – accessibility to be enabled to all girls	Further training for staff	Time for training of staff; school to ensure funding for trips allows extra staff if required	Deputy Head/EVC/School Nurse	DH trains staff continually	All children included on school trips
