MICHAELMAS TERM 2020 Second Half Term CO-CURRICULAR PROGRAMME

RAZZLE

Seniors & Priory 6

Welcome to the St Augustine's Priory Co-curricular Programme

We are delighted to be able to offer a reduced version of our rich and varied Co-curricular Programme.

Having reviewed the safety and viability of each of our clubs, we have put together a programme which continues to offer an exciting choice of opportunities for our pupils, whilst making maximum use of our wonderful outdoor space.

The clubs contained within this booklet are for the second half term (up to and including the **week commencing 7th December**).

In this booklet, you will find tables containing all clubs and activities on offer for children from **Form III to UVI**.

Please encourage your daughter to take advantage of the many opportunities available to her.

Objectives of the Co-curricular Programme

- To support the reintegration to school life following lockdown.
- To promote wellbeing and living life to the full.
- To develop and practise new skills.
- To integrate children across year groups.
- To integrate children across year groups.
- To challenge the girls and encourage them to take risks.

Bookings

- All unpaid clubs will be booked with the member of staff running the club when your daughter attends the first session.
- LAMDA and all paid clubs require a full term's commitment so bookings from the first half-term carry on as before.
- In order to keep year groups as separate as possible we are not allowing year groups to mix in clubs. We regret that this means some clubs will only be available to particular year groups every second or third week.
- All clubs, LAMDA and music tuition will commence on Monday 2nd November and will run until w/c 7th December 2020.
- Ms Snell is our LAMDA coordinator. Please contact her directly with any LAMDA based enquires (hsnell@sapriory.com).

Introductory	Introducing learners to basic communication skills. Learners will speak one poem from memory, audibly and clearly with some appreciation of meaning and maintain a short conversation with the examiner about a favourite toy or object, picture and book.
	Developing a strong speaking voice and good memory skills by learning and performing monologues and duologues. Designed for solo or duologue performances.
	Developing the skills necessary for effective oral communication and public presentation. These lessons will benefit native English speakers as well as those for whom English is a second language.

Verse & Prose

Public

Speaking Learners interpret a rich variety of poems and novels, developing a strong speaking voice and memory skills. Designed for individual candidates.

LAMDA examinations in Musical Theatre help students to develop their Musical acting and singing skills. Like our Acting exams, they encourage empathy and self awareness, as learners are required to present believable characters through both acting and song.

Individual lessons are also offered in...

Drama

Devising Developing creativity by exploring ideas and themes and realising them through devised dramatic performances. Designed for solo or duologue performances.

Miming

Gaining an understanding of non-verbal communication by exploring body language and facial expression, and putting them into a dramatic performance. Designed for solo or performances.

Reading For Performance

Learners construct and present a recital based on a theme of their choice, using an introduction, verse readings, prose readings, dramatic readings, reflective linking statements and a conclusion. Texts are not memorised
