

Dr Barbara Marino

Barbara lives in Ealing and was originally a St Augustine's parent before becoming a Governor in 2019. Since then she has chaired the Health & Safety Committee and more recently the Nominations & Succession Committee.

Barbara is a world class health & safety professional with a PhD in Engineering and more than 20 years in the industry. Barbara developed her experience as Head of the H&S consulting and Compliance teams at AECOM and prior to that leading the compliance management team at ARUP. Barbara supports her clients in the development of corporate compliance policies and strategies combining health & safety with circular economy and ESG principles.
