

16+ Scholarships:

The Academic Scholarship (The Mary Tredway Award) is a 100% Scholarship for both years of Sixth Form studies. All candidates wishing to apply for The Mary Tredway Award (100% Academic Scholarship) will sit a General Scholarship Paper. The paper will challenge candidates to 'think outside the box' or to look at an issue from a different viewpoint. They will also be asked to give a 10-minute presentation on an intellectually engaging subject of their choice and answer questions based on their presentation from the panel.

Scholarships in specific subjects worth a discount of up to 10% of tuition fees are awarded annually to successful internal and external girls with exceptional talent, dedication and potential. Successful candidates are required to study the subject-based scholarship at A Level.

All external applicants who wish to apply for a 16+ scholarship must complete the online registration and scholarship forms by Friday 22nd November 2024. All candidates must submit a letter (written by the candidates themselves), accompanying their application form making a compelling case for why they are a strong candidate for a St Augustine's Priory Scholarship. Candidates are required to supply a copy of their predicted grades to the Registrar in January 2025 after they have completed their GCSE mock examinations.

Internal candidates

Internal candidates are strongly advised to consult with the Head of Department as to suitability as a candidate before submitting their application. All internal candidates who apply will be called to assessment.

Tenure

16+ Scholars are required to study the A Level for the scholarship they have been awarded (except those who receive the full Academic Scholarship).

Recipients of the Subject Scholarships, who go on to study that subject at university, will be given a small annual stipend for the duration of their under-graduate studies.
